We were unable to include an average in this Yearbook for anyone who did not have an application card submitted by his or her league secretary. If anyone thinks that their name and average for a minimum of 21 games should have been included in this yearbook, I urge them to give their name, address, league name and facts to any member of the Board of Directors, or mail the information to the Association Office at 21 John Beach Rd, Newtown, Connecticut 06470 or call Lou Weber, Manager (203) 364-4417.

FAIRFIELD COUNTY USBC ASSOCIATION accepts no responsibility for errors in this book, but makes it the individual bowler's responsibility to verify the average and use the correct average in case the average has been listed incorrectly or omitted.

Greetings from the President

MATT FAVREAU

Hello and welcome to the 2019-2020 season!

We have an exciting year ahead of us! Before we get into that I want to give a special thank you to Rich Weglinski who is stepping down as association manager. Rich has served this association over multiple decades and been the critical backbone keeping things on-track during this time. We all owe him a great debt for his help over the years – thank you Rich!

Lucky for us our association has a deep bench of talent as our new association manager will be Lou Weber! Lou is a longtime member of multiple associations with lots of experience in both the business and bowling worlds. I have no doubt we are in capable hands going forward!

Last season we had some great successes – tournament participation notably increased versus the last few years. Marketing and communications efforts were better coordinated. The youth programs sent over a dozen participants to junior gold – two of whom made the advancers round in their division! We welcomed Ray Ryan Sr. into the local hall of fame and celebrated with all our tournament winners at a wonderful dinner on the water. And some new faces started to make their way into our leagues enjoying the sport at every level of ability and participation!

One aspect of our sport that makes us truly unique is how we come together as community and family. We lost some longtime participants and friends last year which is always difficult. But looking at the current generations they influenced who are still bowling it's clear their legacies live on in the best way possible. When I look to our flourishing youth program, I take comfort knowing that our sport is being left to very capable hands.

Looking ahead to the upcoming season I'm excited to work with our new manager, our board, and all of you to continue delivering great service, great tournaments, and great events! Please don't hesitate to let myself or anyone on the board know what's on your mind – we're here to help and listen.

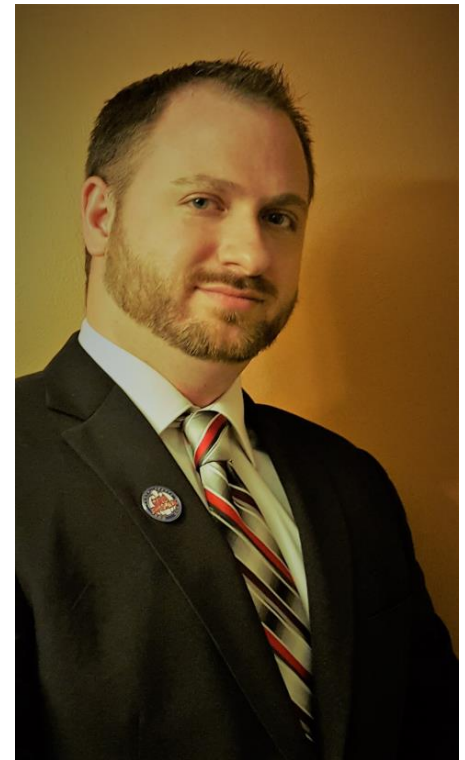

One final thought I want to leave you with – you're here bowling and reading this message because someone reached out to you got you involved. A parent, a coach, a friend, a league coordinator...someone gave their time and reached out. The best way to honor that is to pay it forward - reach out to someone, and introduce them to our great sport!

Bowling at its core is a team sport – won't you help grow our team?

I hope everyone is ready to enjoy another great season together!

Best,

Matt

LOU WEBER

Message from the Manager

Hello all Fairfield County USBC bowlers,

Some of you know me and some might not so for all let me give you a brief bio of myself:

- Have been in the bowling industry since the age of 7
- Worked almost every aspect within a bowling center which includes the snack bar, lane maintenance, mechanic and front desk customer service.
- Began running leagues and tournaments at the age of 13
- Student coach certification at 13 and certified coach at 15
- Youth coach for approximately 30+ years
- USBC Certified Coach Bronze and Silver level
- Held the office of President, Vice President and Secretary Treasurer for the Greater Bridgeport Norwalk Bowling YABA associate

- Director for the State of Connecticut USBC Youth association for a number of years
- Director for the Fairfield County USBC Youth association for a number of years
- President for the Fairfield County USBC association for one year. Had to step down due to a family illness.

I am looking forward to returning back and working once again with the bowlers of the association, directors and officers of this strong association.

High Scores to all and remember that this game was invented for FUN. As I told my coaches, I am either bowling good or having fun or most of the time BOTH.

WHAT IS THE FAIRFIELD COUNTY USBC ASSOCIATION

USBC is the national governing body of bowling as recognized by the USOC, United States Olympic Committee. It is a membership organization that provides standardized rules, regulation and Benefits to make bowling fair and fun for everyone.

The Fairfield County USBC Association is a membership organization chartered by the USBC to administer bowling for adults and the youth in most of Fairfield County. It is governed by its USBC sanctioned members through an Annual Meeting open to all Members.

The Members at their meetings have adopted by-laws and elected Officers and a Board of Directors that act in their behalf. The Board through its members and staff is responsible to continue the purposes of the USBC by assisting with the establishment of leagues, sanctioning members and inspecting bowling centers to insure the proper equipment and operating procedures are available for its sanctioned members.

The Board has hired an Association Manager who is responsible for much of the administrative duties. The members of the Board assist leagues and members with the interpretation of rules and the guidelines that make bowling competition fair and fun.

It takes its message to its Members and the public through a web-site, www.fcusbc.org, e-mail blasts, mailings and several publications. One of its responsibilities is to gather the final averages of all its adult and youth Members and make them available through the publication of an annual Yearbook and Individual High Score booklet. Averages are also available on its web-site.

Organized leagues present an opportunity for bowlers to improve their skills and compete with other bowlers for awards and prizes. The Association also offers an active awards program that recognizes individual achievements by all its bowlers regardless of their level of skill and average.

The Board is also responsible for administering several tournaments through the year. Tournaments give Members a chance to meet with bowlers from other leagues and compete for awards and prizes. The many tournaments that are available are described later in this Yearbook.

Through its All Star teams and its Hall of Fame, the Association recognizes outstanding achievements and years of meritorious service.

An important responsibility of the Association regards its youth bowling program. By mandate of the USBC, twenty-percent of the Board Members come from the coaches and helpers that work with the young bowlers. Although league play, instruction and competition help make bowling fun, the Association with the help of the proprietor of Buddies Pro Shop at Nutmeg Bowl has developed an outstanding scholarship program for our youth.
