Greetings from the Association President.....

Hello Fairfield County Bowlers! My name is Andrew Schilkowski, President of the Fairfield County USBC Bowling Association. The 2024-2025 season was set to be the final year of my term as President. However, at one of our Association's Annual Meetings, a few modifications were made to our By-Laws, one of which was extending my term an additional year. As such, my term as President will now expire with the close of the 2025-2026 season. I look forward to the opportunity to continue to serve the bowlers of Fairfield County!

With each passing season, our Board of Directors, which is comprised of volunteers from our membership, attempts to act in the best interest of our bowlers. One area we felt we were lacking was with our Veterans. I am pleased to announce that beginning last season, the Fairfield County USBC Association began offering a discount in membership dues for our Veteran bowlers. Veterans must apply for the discount through their league secretaries, and although the amount may seem insignificant, this is just a small gesture to show our appreciation to those who have served our country! I also want to make you aware that we are in the early stages of planning a Veteran-based bowling tournament.

Last season we focused our efforts incorporating more technology into our local operations. I am pleased to say we were able to implement a website [FairfieldCountyUSBC.org] which many of our members utilized for entry forms and results of the various tournament we held throughout the year. We continue to update the site with data for our bowlers which includes a copy of our By-Laws, Board of Directors information, and our Local Hall of Fame members. We will also be adding our local Yearbook to the website which will contain bowler averages, tournament champions and more! As a reminder, our local Association will be hosting its Annual Open & Women's Championship Tournaments in late 2025. Make sure to keep an eye out for flyers and entry forms when they become available.

Thank you and bowl well!

WHAT IS THE FAIRFIELD COUNTY USBC ASSOCIATION?

The United States Bowling Congress [USBC] is the National governing body of Bowling as recognized by the USOC [United States Olympic Committee]. It is a membership organization that provides standardized rules, regulations, and benefits to make bowling fair and fun for everyone.

The Fairfield County USBC [FCUSBC] Association is a membership organization chartered by USBC to administer bowling for adults and youth throughout the Association's jurisdiction. It is governed by FCUSBC sanctioned members through an Annual Meeting.

The members at the meetings have adopted By-Laws, elected Officers and a Board of Directors who act on their behalf. The Board, through its members and staff, is responsible for continuing the purposes of USBC by assisting with the establishment of leagues [youth & adult] and sanctioning of its members annually. The members of the Board assist leagues and sanctioned members with the application and interpretation of rules along with the guidelines which make bowling competition fair and fun for all. The Board also hires an Association Manager who is responsible for much of the administrative duties, such as processing sanctioning applications and compiling final averages for publication.

Organized leagues present an opportunity for bowlers to improve their skills while also competing with other bowlers for awards such as Bowler of the Year and All-Star teams. Through sanctioned leagues, the Association offers an awards program to recognize individual achievements by all its bowlers, regardless of their level of skill or average. Members who bowl in sanctioned leagues are also recognized for their outstanding achievements and years of service to the Fairfield County bowling community by induction into a local Hall of Fame.

The FCUSBC Board administers several tournaments throughout the year, for both our Adult and Youth members. These tournaments allow members not only to compete against one another for prizes and awards, but also to socialize with other members who may bowl in a different league or center. The winners of these tournaments are also recognized for their accomplishment at the Association's Annual Awards Dinner.

A key part to the Association being successful is communication with its Members. Currently, the Association utilizes its website [FairfieldCountyUSBC.org], Social Media platforms [Facebook @FFLDUSBC & Instagram @FCUSBC], E-Mail blasts, and other publications to communicate news and events to its Members.

One of the most important responsibilities of the Association is to help ensure a future not only for FCUSBC but also for our sport. The Association assists the local bowling centers with Youth programs for children up to age seventeen (17) with the hopes they will become life-long bowlers. The programs are designed to provide organized leagues where youth may compete against one another and also receive instruction from Volunteer Coaches to improve their bowling skills. Through USBC's SMART program, all Youth bowlers can earn Scholarship rewards which they may utilize to further their education.
